

About us

- VŠTE is a modern higher education institution located in České Budějovice in the heart of Europe, close to Munich, Vienna and Prague.
- As a part of Czech Republic, České Budějovice is one of the safest and most affordable cities in Europe.
- Study programmes are offered in English and Czech language in technical and business field at 3 faculties – Faculty of Technology, Faculty of Corporate Strategy and School of Expertness and Valuation.
- VŠTE focuses on the applicability of knowledge rather than just theory. All study programmes are designed to develop practical skills and include one semester of professional work experience.
- The Institute also aims to strengthen cooperation with application sphere, such as in internship mentoring program or applied research with both regional and international partners.

“We are here to provide our students with practical skills moving them into their careers.”

Living and free time at VŠTE

VŠTE provides **accommodation** in on-campus or **partner dormitory** in the city centre.

How much the accommodation costs:
approximately 100-130€/110-145\$
per month

The on-campus **cafeteria** is open daily offering breakfast, lunch and dinner for our students.

How much you will spend on food:
approximately 160€/180\$ per month

Our campus also offers **student club, library, rest zone** and **much more** for study and relaxation!
